Harvest

Thank you so much to everyone who sent in a contribution to our Harvest Service last week and to those who were able to join us. We hope you enjoyed all the entertainment and could see how much effort the children had put in to it all.

SIAMS Inspection September 2016 — We are a GOOD Church School!

We hope you have managed to read our inspection report which was sent home last Friday. We were really pleased to share with you the outcomes from the inspection. The inspectors graded us 'Good' in all areas of the inspection. They commented on the impact of the positive learning environment and high quality care for children and the commitment of the school staff. They also commented on the articulate and thoughtful responses of the children they spoke to. Work will continue to be done towards our areas to improve and this will be lead by our newly appointed RE leader, Mrs Jakins.

Uniform and PE Kits

We are very proud of how smart all the children looked when they returned to school in September, however we are finding more and more children not following the school uniform rules each day. Please ensure your child wears the correct uniform and shoes. It is also important that your child has the correct PE kit in school. We are having an increasing number of children 'forget' kits and valuable time is wasted phoning parents. PE is every Thursday. I have listed our uniform list overleaf for your information. Thank you in advance for your help with this matter. If you are struggling with purchasing uniform, please come and talk to us. Also, the PTFA are having a regular uniform sale rail available at the Village Hall Coffee mornings on Fridays - 9-10am.

PE

This week was our last session with Coach Lee, our specialist sports coach, until the spring. Children will continue with either PE or swimming on a Thursday as normal.

Jewellery

A number of children are coming to school wearing earrings which are not suitable for day to day school activities. The school brochure states that **only small, stud earrings may be worn**. These **MUST** be removed or covered for PE and removed fully for swimming. If your child is unable to remove their own earrings then please remove them for the day or send them with plaster/tape to cover them. Thank you.

High 5 Netball

Well done to our team who took part in the Netball High 5 tournament in TGA on Monday. Corringham played 6 games, winning two, drawing two and losing two. The staff were very impressed with the children's sportsmanship and determination. All children received a certificate in our celebration assembly earlier today.

Christmas Card Competition

BISHOP
GROSSETESTE
UNIVERSITY

Bishop Grosseteste University have invited our children to take part in a
Christmas Card Design Competition. Your child will bring home with them
tonight, the template required. We thought this would be a great homework
activity for over the holiday.

There are two categories—6 years and below or ages 7-11. If your child would like to enter, please complete the form at the back of
the template and return it to school on Tuesday 1st November. The school will then collate them and send them in on your behalf so
there is no need to fill in your home address details. All drawings must be within the mitre shape.

*Have a great half term rest everyone—see you on
Tuesday 1st November!*
