Coffee Morning at the Village Hall

Squirrels and Badgers have really enjoyed their craft mornings at the village hall with the PTFA. Thank you everyone who has made this possible. Hedgehogs (Y3/4) will be attending on Friday 25th and Owls on Friday 2nd December, so don't forget to be at the village hall between 8.50-9am for register. Parents are welcome to stay or drop and dash.

Thank you PTFA!

Thank you to our super PTFA who this week purchased a class set of waterproof body suits for our reception class in preparation of the arrival of your new water feature! We think they look fab!

Swimming

All children taking part in swimming lessons must wear a swimming hat. Please ensure your child has one in their bag. We are also having to make a number of phone calls every week for children who have forgotten their kit. This is quite time consuming. Please ensure your child has their correct kit in school. Thank you.

Jewellery

A number of children are coming to school wearing earrings which are not suitable for day to day school activities. The school brochure states that **only small, stud earrings may be worn**. These **MUST** be removed or covered for PE and removed fully for swimming. If your child is unable to remove their own earrings then please remove them for the day or send them with plaster/tape to cover them. Thank you.

Young Voices

Thank you to those who have sent in their permission slips and orders for our up and coming Young Voices event. If you still need to place an order, please ensure this is in school by Monday 21st at 9am as the deadline for guaranteeing seats is approaching.

Cross Country

Well done to our team who took part in the recent Cross Country Challenge. Every child managed to finish the race despite the mud and wet. Thank you to Mr Duncan and Mrs Humphries who have given their time weekly and also to Mrs Fillingham and Mr Reeve who arranged and supported the group.

Outdoor Area Improvements

Next week we are delighted to have Newby Leisure join us in the early years outdoor area. Over the week they will be landscaping the area to include a grassed space, install a bridge and small stream, fit a mud kitchen and erect a new playhouse and store. The children will be able to watch as the area develops. We look forward to sharing with you soon, the finished area.

Diary Dates:

Wed 23rd Nov	Y3/4 visit to West Burton Power Station—please note date change PTFA Film Night
Fri 25th	Y3/4 Craft Morning—to be dropped at the village Hall 8.50am
