Corringham CE Primary School

Friday 27th November 2015

Millie's Trust

We are aware that there are still places available on the Millie's Trust First Aid session in school. If you, or anyone you know, being held on Saturday 28th November 10-4pm, please see their website: <http://www.milliestrust.com>. We would also like you to share this event with friends and family as it is open to all members of the community. This training is just £20 and free for parents with children under 12 months.

Late Arrivals & Attendance

The number of children arriving after 9am is once again increasing. These figures are monitored closely. Please try to be on time. Learning starts at 9am and children arriving late into the classroom miss out on this learning and disrupt the learning of their peers. We would also like to remind you that from September 2015, those children with less than 90% attendance are now classed as 'persistently absent' (previously 85%) and this may result in intervention from the Education Welfare Officer.

Lincolnshire Otter Charity Christmas Event

Many of our children will be performing at this event tonight at 4pm. There will be lots of other things to see and do too. Please join us and help raise money for Help the Heroes.

Nativity and Carol Service

Below, you will see the dates for our Nativity and Carol services in church. We would love you to join us. We would like to request that all children attend the evening event if at all possible as it is a special event in our school calendar and we believe it is a fabulous way to share this important Christian celebration.

PTFA Note:

Tonight we have sent home the PTFA Raffle strips. Each square is £1 and you can win some fantastic prizes. If you are able to sell squares at your workplace or to family and would like some more, they can be found in the PTFA drawers in the school entrance.

Lincolnshire Big Bike Challenge

How wonderful to see so many children scooting, biking and walking to school over the last three weeks. According to the Big Bike Race competition, you managed to travel Pole to Pole and a bit more...30500 miles in fact! Seventeen schools competed and we are really, really pleased to announce that we came 3rd!!!! What an achievement! A special thank you to Bradley, our Bike Race Champion, who monitored it all too. We do hope everyone will all try to keep up this effort in the future, a walk or ride to school is a great way to start the day. Our school will soon receive a scooter parking pod and certificate in recognition of our achievement.
