

What a busy term!

We are now half way through the academic year! Where has the time gone? This term the children have enjoyed visits to the Sheffield Arena, Gainsborough Old Hall and Lincoln Theatre Royal, we've had a talk from the Ambulance Service and attended the Gainsborough Swimming Gala—coming a magnificent 2nd overall!!! We have lots coming up over the next few terms so don't forget to follow us on Facebook to keep up to date.

Sports in School

Mrs Watt Jones and Mr Reeve have recently met with one of our PE providers. We have been in talks about extending our provision so that our sessions will span over the whole year rather than 12 weeks. We also talked about arranging a possible lunch or after-school club too. We hope to be able to share with you, our new sports plans soon.

World Book Day Celebrations

We will be celebrating World Book Day on Wednesday March 1st 2017. Children are invited to come to school dressed as a book character and bring along a favourite book too. The staff are currently planning a number of activities the children will enjoy on this special day. We will also be handing out £1 book tokens for children to spend in local book shops.

Attendance and Late Arrivals

Can we please remind you that the school day starts at **9am**, with children able to come into school from 8.50am. We are again having an increasing number of children arrive after 9am and this has an impact on the whole class as they are disrupted with the late arrivals and having to chase the register.

Parking

Can we please remind parents to park considerately around the school and NOT park over the residents driveways or on the school zig-zags. Also, we have been asked by the Parish Council to ask parents to avoid turning round on the entrance to the parish field as it is damaging the entrance. Thank you.

Can you help?

Do you know anyone with a science background? Would they like to come and talk with our children about their job? If so, please get in touch with Mrs Burnett. We'd love to welcome them to our school.

We are also looking for 'green fingered' volunteers. Our school garden is looking tired and we could really do with some help. Do you have any spare time to help us, either during the day or after school? Please get in touch if you can spare some time. We are also looking for donations of top soil ;-)

Diary Dates:

Fri 10th	Last Day
Mon 20th	Back to school
Wed 22nd	Squirrels & Badgers visit to Lincoln Castle
Wed 1st March	Corringham World Book Day Celebrations
Fri 3rd	Mad Science Special Assembly—pupils only

Don't forget you can keep up to date with what is going on in school by following our Facebook page.
