Celebration Service

Recently, I spoke with the children about how they would like to see changes in the way we celebrate achievements in school. Two key requests were 1) those children who got a certificate would receive a sticker too, 2) they wanted parents/carers to attend if they had been nominated. We thought this was a great idea, especially as we are now able to accommodate more people in our new hall. So over the last few weeks, we have been joined by families at our Friday Celebration Service, who have seen their child receive their achievement award. If your child is nominated, we will text parents on a Thursday evening to let you know. Please can we ask you to keep this a secret, it really does make receiving these awards very special.

School Council

Our new school council have been elected by their peers and what a good start they have got off to! Their first official event, the MacMillian Coffee Morning saw them raise almost DOUBLE any previous year! What an achievement! A fantastic £250 was raised and so we would like to thank everyone who came along or sent in cake donations.

The School Council have also been tasked with developing our new Golden Rules. This was also another area all our children asked for us to develop and improve. We look forward to sharing their work with you over the coming weeks.

Harvest

Contributions to Harvest Worship would be gratefully received on Wednesday 14th October. Tinned, packet and fresh produce will be parcelled and delivered to the elderly residents in our community by the children.

Open Day Sessions

If you have friends or family with children starting school in September 2016, (children born 1st Sept 2011 to 31st Aug 2012) please would you tell them about our Open mornings/afternoons we have coming up? (details below) If the dates are not convenient, please ask them to give us a call to make an appointment.

Class Worship/Assemblies

We have timetabled in our first few pupil-led acts of worship. We are really pleased to be able to hold these events in school now that we have space to accommodate them. If your child's class is taking part, please feel free to join us. It is an expectation that all the children in the class are involved in the planning and delivery of these assemblies and so if you would like to see your child in 'action' please come along to watch.

Very Special News...

We are delighted to announce that Mrs Jones is expecting a baby in the spring. We know that you will appreciate what very wonderful news this is to us all at Corringham. We wish both Mr & Mrs Jones every happiness in their new adventure together!
