

## Hedgehog Class Homework Autumn Term 1

During this term, you must select and complete 3 projects from the grid. You should aim to spend between 1 and 2 hours on each project. You will be asked to bring your work into school every two weeks for marking, or to share with the class. You should also read to an adult at least three times a week and ask them to sign your reading record, learn your weekly spellings and practise multiplication tables.

<p>Make a model of The Twit's house and garden in a shoe box. Don't forget to include the monkeys in the garden!</p>	<p>Draw, paint or make a collage of a tree in autumn.</p>	<p>Make a bar chart showing the different plants in your garden. Include a tally chart.</p>
<p>Make a PowerPoint presentation showing the countries that make up the UK, their capital cities and other interesting facts about them.</p>	<p>Make a poster showing how to stay safe on the internet. Include as much information as possible, including a website where children can go for more information.</p>	<p>Make a 3D model of a flowering plant and label as many plants as you can.</p>
<p>Find out about a national park in the UK and create a presentation to share what you have discovered. This can be a poster, booklet or PowerPoint presentation.</p>	<p>Write a detailed book review of one of Roald Dahl's books, other than The Twits.</p>	<p>Make a poster showing the numbers one to 100 in both words and numbers.</p>
