The roar of the grotesque brute  
The thundering of each hairy toe

It drips onto my supper  
Before it reaches my gloomy throat  
And I'm ready to swallow.

**Head of Air Force:** *(Bowling lower)*. Tell me how I may be of service to you.

**Head of Army:** *(Bowling even lower, onto his knees)*. Words cannot express how much I am prepared to do, to be of service.

**Head of Air Force:** *(Bowling lower, almost laying down)* I am your true servant.

**Head of Army:** *(Bowling lower, almost laying down, pushing past)* I am your true servant.

**Queen:** Will you tell them BFG?

**BFG:** You two human beans must get your 9 biggest bellypoppers.

**Head of Air Force:** What does he mean by bellypoppers?

**Sophie:** He means helicopters.

**Head of Army:** Why can't he say what he means?

**BFG:** Sometimes what I says and what I means are two completely different things.

**Queen:** Thank you BFG, we understand. Tell these fools, sorry men, what else they will need to go with the bellypo...I mean helicopters.

**BFG:** We need ropeties and chaingrabbers to tie up the 9 giants onto the belly of the bellypoppers like portedoes.

**Head of Army:** About 3 miles behind you!

**Head of Air Force:** Follow the BFG, so we can capture those giants.

**Head of Army:** Maybe I will get a medal for my bravery.
