## Spring 2019

Happy New Year! I hope you all had a wonderful Christmas and are rested and ready for a busy term. We are starting the new year with an exciting Science Day, with lots of hands-on investigations. This will be followed on Friday by Young Voices, with over half of our class attending what is always an amazing event. On Wednesday 16<sup>th</sup> January we will be joined by an award-winning children's author, Billy Bob Buttons, who will be giving us tips on story writing, the main focus of our literacy for the first half-term. Full details of this term's topic 'Journeys' are available on our class page of the school's website: <http://www.corryingham.lincs.sch.uk>. Please take a look, as you will also see photos of previous events and links to helpful websites.
