= timetabled 'free' time which you can choose how to use. You may wish to read a book, practise your phonics, complete activities from previous sessions, play outside, go for a walk, watch a movie, build a den, make a Lego aeroplane, set up a café. You could also use this time to access some educational apps/websites. A list will be provided.

PE ideas = Cosmic yoga on you tube, Andy's Wild Workout on BBC iPlayer, build an obstacle course, make up a dance, make as many different shapes with your body as you can in one minute, play football, go on a bike ride, bounce on your trampoline, learn to skip....the possibilities are endless!! We'd love to see what you get up to so WOW us with a photo on Tapestry.
